

Global Site Registration Form

The Site Registration is a fast and convenient way to facilitate your communication with First Solar and establishes certain conditions to the effectiveness of the module warranty.

Please fill out this document and send it via email back to First Solar in order to receive your personal Site Registration Number.

North America:	TechnicalSupport.NA@firstsolar.com
Europe:	TechnicalSupport.EU@firstsolar.com
Middle East & Africa:	TechnicalSupport.EMEA@firstsolar.com
APAC:	TechnicalSupport.APAC@firstsolar.com
Japan:	TechnicalSupport.JP@firstsolar.com

The Site Registration Number helps us identify you as the owner of First Solar modules and will thus speed up any future communication between you and First Solar. Once completed, First Solar will provide you with the Site Registration Confirmation and/or a Warranty Certificate.

First Solar strongly encourages Site Registrations for improved after-sales customer service.
